

TYPES OF RAINFORESTS

Your task

- * Go to <u>www.kidcyber.com.au/topics/</u> <u>biomerainfor.htm</u>
- * Read the information and select the main points.
- * On this first slide, create a definition **in**your own words for the 2 types of rainforests that shows the similarities and differences between the two.

WHERE IN THE WORLD?

Your task Go to Google Images.

- * 1. Do a search with the words "tropical rain forests of the world." Select a map and paste it onto this slide. (Don't forget to include a link to where it came from).
- 2. Repeat this step, but for the search "temperate rainforests of the world."
- * 3. Look at the 2 maps. List up to 5 facts that the maps show us about the world's rainforests.
