# Jeremy's Magic School Day

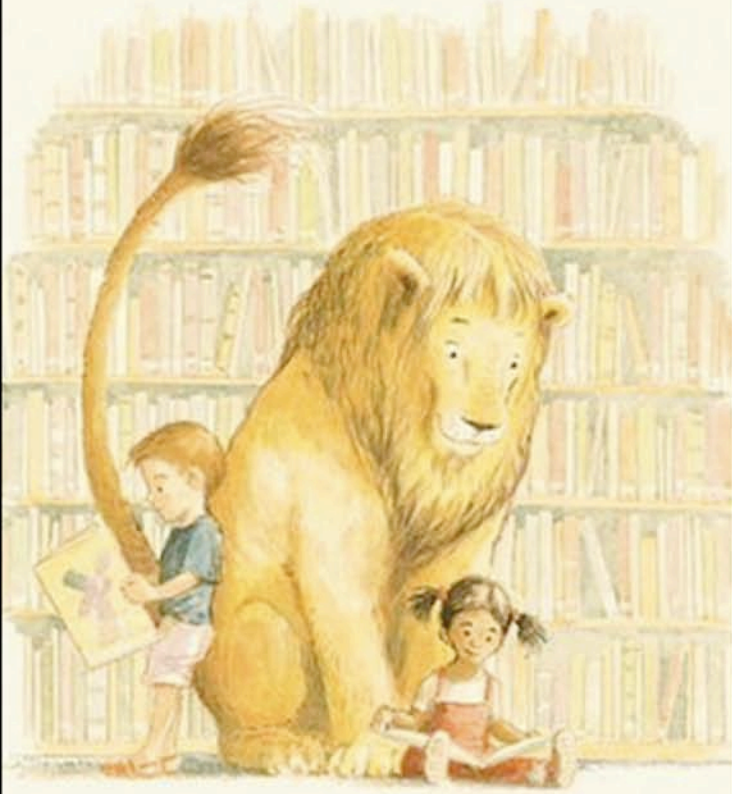

In the story, Jeremy couldn't eat \_\_\_\_\_  
or \_\_\_\_\_, so the magician made a  
special wish spell on his safe lolly instead.

At our school, some  
people can't eat  
nuts, so we don't  
bring nuts to school.  
That keeps everybody

If you had a wish lolly, what would you wish for?

# Library Lion

MICHELLE KNUDSEN illustrated by KEVIN HAWKES

We read the story  
"Library Lion". The  
lion liked to go to  
story time.

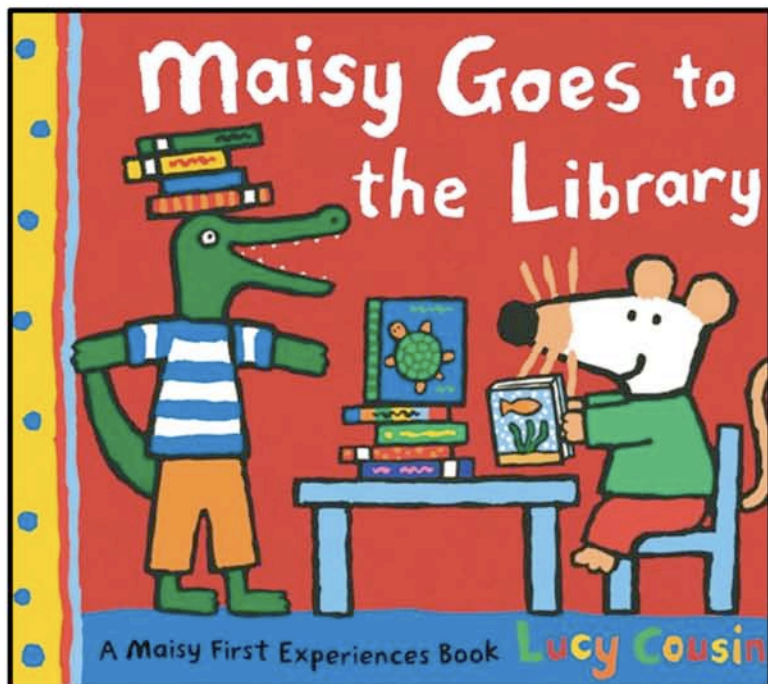

He also liked to

Merriweather.

What if an

Maisy likes  
going to the  
library to  
----- at a  
book in a nice  
----- place.

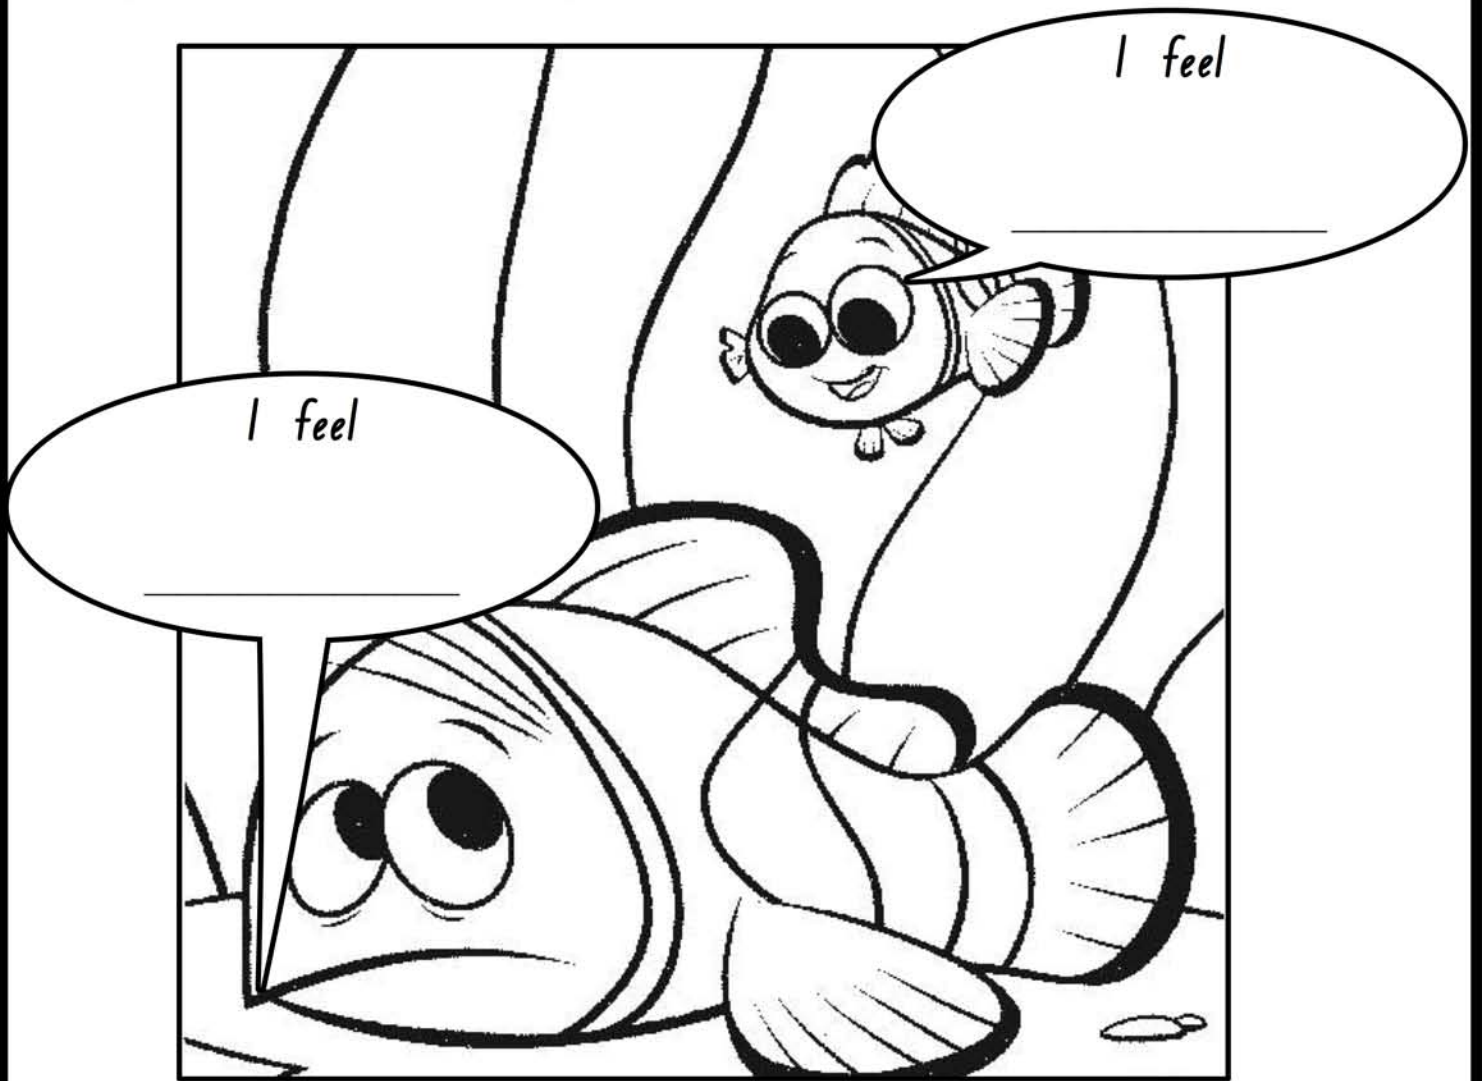

Maisy's fish book was sparkly. What will your fish book be? Will it be sparkly too? Maybe it will be stripy or spotty. Maybe there will be plants in the background or even other fish! Colour your own fish book cover.

Maisy's quiet place was under a tree. Draw yourself reading a book in your own quiet place.

# School Days

We watched a little story. Nemo was getting ready for his first day of school. How do you think Nemo and his dad were feeling?

WHAT DO YOU THINK WOULD BE A GOOD SCHOOL RULE FOR NEMO'S CLASS?
